## **Privacy Policy**

We are online based catering equipment hire service based in Coventry UK. We rely on email and telephone medium for the following business transactions:

- Receiving orders from customers
- Sending invoices and receipts to customers
- Order updates to customers including deliveries
- Equipment collection communications between Party Equip and customer
- Equipment return communications between Party Equip and customer

Therefore, customers are required to provide us with certain personal information such as:

- Full names
- Their location or business location
- Telephone numbers
- Email address

As a hire service, it is equally important for us to be able to trace and locate our equipment.

However, Party Equip will promise that these details will not be shared with third parties but solely for carrying out business transactions with the customer. As a consumer of our services, we believe that;

- You are fully aware of how our service operates
- In your choice to engage in business with us, you agree to give us consent to collect this information from you
- You give consent for us to hold this information from the start to the end of our business with you.
